(Derestricted toll roads are roads the public can pay to have access to and where speed restrictions are temporarily or permanently suspended including the Nurburgring).
- L Any liability, loss or damage where you or any appropriate driver is negligently in breach of the Road Safety Act 2006, except where we are required to provide this cover under the Road Traffic Acts or any other legislation applicable to motor insurance.

The General exceptions shown above are in addition to any exceptions shown elsewhere in this insurance document or on your schedule.

General conditions

The following General conditions apply to this insurance as a whole and are in addition to any conditions shown elsewhere in this insurance document or on your schedule.

A Compulsory motor insurance - our right of recovery

If the law in any country to which this insurance applies obliges us to make a payment which we would not otherwise have paid, we reserve the right to recover the amount paid from you or the person, company, partnership or firm that incurred the liability which made the payment necessary.

B Notification of changes - your obligations

1 Replacement or additional vehicles (including temporary additions)

You must tell us immediately of any replacement or additional vehicle you wish to insure under this insurance for entry on the Motor Insurance Database as required by the relevant law applicable in Great Britain and Northern Ireland. The replacement or additional vehicle should not be used until you have obtained a certificate of motor insurance or temporary cover note for it. If you do not tell us, and the replacement or additional vehicle is involved in an accident or loss, your insurance may not cover you fully or at all.

Cover for any replacement or additional vehicle under this insurance will be subject to terms and premium adjustment as advised to your insurance adviser.

2 Other changes

You must tell us immediately about any changes which could affect your insurance and which have happened since the cover first started or since you last renewed your insurance cover. If you do not tell us about these changes your insurance may not cover you fully or at all. Some examples of changes which must be notified to us are as follows

- details of drivers you have not told us about before;
- if anyone who drives under this insurance sustains convictions or prosecutions;
- details if you or anyone who will drive develops a medical condition; or
- if you intend to modify your vehicle even if the change is only cosmetic.
- change of trading title.

General conditions continued on the next page.

General conditions (continued)

- you or your company have gone into administration, receivership or liquidation or enter into an IVA (Individual voluntary arrangement) or CVA (Company voluntary arrangement).

If you are in any doubt as to what should be advised please ask the broker or intermediary who arranged this cover for you.

C Making a claim - your obligations

In the event of any accident, injury, loss or damage, you must notify us as soon as is possible by ringing our Accident Service Line on **0800 072 2050** (calls made to or from this number and other numbers at the Insurer may be recorded for training and monitoring purposes) and, if we require, by writing to us at Prospect House, Thanet Way, Whitstable, Kent, CT5 3FD. We may subsequently require you to provide full details of the occurrence by the completion of either our accident report form or theft claim form.

Travelling outside the UK – claims notification. If you are travelling abroad and need to notify us of a claim, please contact your insurance adviser, alternatively telephone our local agents on 0044 1252 820161.

You must tell us as soon as you know of any impending prosecution proceedings, Coroner's Inquest or Fatal Accident Inquiry in connection with any occurrence for which there may be liability under this insurance.

Any loss by theft or damage caused to your vehicle as a result of attempted theft or vandalism must be reported to the police as soon as is reasonably possible.

Every relevant letter, Claim, Writ, Summons or process must be sent to us immediately it is received.

You, or any person covered by this insurance must not negotiate, admit liability or make any offer, promise or payment without our prior written consent.

You or any person covered by this insurance must give us all the help and information we may need.

D Our rights following a claim

We will be entitled to take over and conduct in your name or in the name of any person covered by this insurance the negotiation, defence or settlement of any claim or take legal proceedings to recover for our own benefit any payment made under this insurance, as we feel appropriate in the circumstances.

General conditions (continued)

Any uninsured loss associated with a claim admitted by us will not prevent us from acting in accordance with this condition without reference to you or any other person covered by this insurance.

A person, company, partnership or firm who was not a party to this contract has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this contract but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

E Authorisation of repairs

If you have an accident, you must take all possible steps to protect your vehicle and its accessories and contents. If the damage to your vehicle is covered by this insurance, you must contact us immediately. We will not pay for any further damage you cause if you try to drive your vehicle. One of our approved automotive assessors must inspect your vehicle before repairs are started. We will not be responsible for the cost of any new parts or accessories ordered, or repairs carried out, without our agreement. If we think the repair estimate is unreasonable, we may negotiate a lower estimate or pay for any work that may have been done and move your vehicle to another repairer. We have the right to move your vehicle to a safe storage place without asking you.

If we choose, we may arrange for the repairer to use suitable (possibly recycled) parts and accessories that are made by a company other than the manufacturer of your vehicle.

If your vehicle is damaged and a part or accessory cannot be repaired or replaced, we will only pay you the manufacturer's last United Kingdom list price. If your vehicle is an imported vehicle and the damaged part or accessory has never been available in the United Kingdom, we will only pay the manufacturer's last list price in the country your vehicle came from. We will not pay the cost of importing any part or accessory needed to repair your vehicle.

If we consider that the repair estimate is unreasonable we reserve the right to contact the repairer and, if we cannot reach agreement on a revised estimate, to arrange for your vehicle to be moved to another repairer. In this event, we will pay for any work already completed and for any new part or accessory bought with our written consent and for the cost of completing repairs to the vehicle.

If, following loss or damage, we consider your vehicle to be beyond economic repair, we may arrange for it to be moved to a place of safe storage without your prior agreement.

General conditions continued on the next page.

General conditions (continued)

You will be required to pay the repairer the amount of excess shown on your schedule before your vehicle is released to you after repair.

F Cancellation

1 Cancellation by us

We or your insurance adviser may cancel this policy by sending seven days' notice to your last known address (and in the case of Northern Ireland to the Department of the Environment for Northern Ireland) where there is an exceptional or valid reason for doing so.

Exceptional or valid reasons may include but are not limited to:

- You do not pay the premium or an instalment when you have been notified that an outstanding amount is required by a specific date.
- You or anyone else covered by this insurance has not met the terms and conditions in this document of motor insurance including those shown on your schedule.
- You have not provided the requested documentation (e.g. completed proposal form, Statement of Fact, proof of no claim bonus) or provided access to your driving licence details as held by the appropriate authority.
- A change in you or your companies circumstances means that we can no longer provide cover.
- Where we identify misrepresentation or fraud or any attempt to gain an advantage under this insurance to which you are not entitled.
- Use of threatening or abusive behaviour or language or intimidation or bullying of our staff or suppliers.

Following the cancellation of the policy, we will return to you the pro-rata part of the premium you have paid provided no claims have occurred during the current policy period. In the event of claims being present under the policy at the time of cancellation, any return premium will be based on our short period rates.

Upon notification that you or one or more of your companies has gone into administration, receivership or liquidation or enter into an IVA (Individual voluntary arrangement) or CVA (Company voluntary arrangement), we will write to you to confirm that your policy will be cancelled by giving you seven days' written notice to your last known address. We will then return to you the

pro-rata part of the premium you have paid provided no claims have occurred during the current policy period. In the event of any claims being present under the policy at the time of cancellation, any return will be based on short period rates.

2 Non-payment of instalments

If you are paying your premium under an instalment scheme and you fail to keep up the payments we have the right to cancel this insurance with immediate effect and to recover the unpaid instalments from you.

3 Cancellation by you

Cancelling during the initial period of cover – ‘Retail’ customers only

If you have entered into this contract of insurance as a retail customer you have a right to cancel this insurance if you advise us or your insurance adviser within 14 days of the start date (or annual renewal date) of your policy or (if later) the day on which you receive the insurance policy documentation and supporting information.

If you exercise your right to cancel the insurance policy during this initial period of cover, you will have to pay ‘pro rata’ rates for the period of time you have had insurance cover. Additional charges may include a proportion of any commission paid to your insurance adviser and a proportion of any fees charged by your insurance adviser, sufficient to cover their costs.

Cancelling after the initial period of cover – ‘Retail’ customers only

If you have entered into this contract of insurance as a retail customer (ie a ‘consumer’ as defined in the Financial Services (Distance Marketing) Regulations 2004) you may also cancel this insurance at any time after the initial period of cover. Cancellation will take effect from the date we receive your notice to cancel, or a date in the future that you have specified but cannot be backdated. A refund of premium may be due providing no claim has been made during the current period of insurance and will be calculated from the date on which we (or your insurance adviser) receive your instructions to cancel and will be calculated using our short period rates shown below.

General conditions continued on the next page.

General conditions (continued)

One month	80%
Two months	70%

Cancelling your cover – ‘Commercial’ customers only
If you have entered into this contract of insurance as a commercial customer (ie a customer who is not a retail customer) you may cancel this insurance at any time. Cancellation will take effect from the date we receive your notice to cancel, or a date in the future that you have specified but cannot be backdated. A refund of premium will be due providing no claim has arisen during the current period of insurance. The refund of premium will be calculated from the date on which we (or your insurance adviser) receive your instructions to cancel and will be calculated using our short period rates – see Refund of Premium rates above.

G Your duty to us

We will only be liable to make any payment under this insurance if

- you or any other person covered by this insurance have observed and fulfilled all its terms and conditions; and
- the statements made and information confirmed by you in your proposal form are to the best of your knowledge correct and complete.

H Care of your vehicle

You must take all reasonable steps to protect your vehicle against loss or damage and maintain it in a safe and roadworthy condition.

You must allow us free access to examine your vehicle at all reasonable times.

I Total loss claims

If we agree to accept a claim under section 5 of this insurance document (Damage to your vehicle and fire and theft) and we consider your vehicle to be beyond economic repair

- settlement of the claim will be subject to us taking over ownership of your vehicle; and

General conditions (continued)

- we will be entitled to deduct any amount of outstanding premium from any monetary payment made in respect of such claim.

If, to our knowledge, your vehicle is under a hire purchase or leasing agreement, any payment we make for total loss will be made to the hire purchase or leasing company whose receipt will be a full and final discharge.

J Other insurances

If at the time of any claim under this insurance there is any other cover in force insuring the same loss, damage or liability as our insurance, we will only pay any amount above that provided by the other insurance. This condition does not make us responsible for any amount which would not otherwise have been payable under any section of this insurance document.

K Deleted vehicle rebates

Underwriters reserve the right to withhold return premiums for vehicles deleted during the period of insurance if during the same period of insurance:

- a the insured vehicle is a total loss,
or
- b the deletion of vehicle(s) has led to a significant reduction in numbers, for example a reduction of 30% or more of the vehicle numbers from inception or renewal of the policy,
or
- c the policy has been cancelled.

L False statements

If a claim is made which you or anyone acting for you knows is false, or if you give us incorrect information or fraudulent documents, we will not pay the claim, cover under this insurance will not be valid, and you will lose any premium you have paid. We may also contact the Police and/or relevant authority(s) in relation to possible criminal proceedings.

M Law

Unless we have agreed otherwise with you, this insurance is governed by the law applying in the particular country in the United Kingdom you live in. If there is any dispute over which law is to apply to this insurance it will be English law. We will not cover any payments that are awarded by a court in a country outside of the United Kingdom unless your cover has been extended to that country under section 9 of this insurance.
